**REMARKS:**

Approved Permit Plat has been revised with a new house and appurtenances. Proposed changes are no closer to Mean High Tide than those previously approved.

Item of Note:
A significant number of existing trees have been damaged and removed during a recent storm. Pictures of that tree damage were attached in email to bpservices@stmaryscountymd.gov. More picture and videos can be delivered if requested.

Since this plan is a little out of the ordinary, please feel free to contact Wayne Hunt prior to Critical Areas review.
