TALL TIMBERS, MD 20690

I hereby request permission to provide water and/or sewerage service to the property described above in accordance with Chapter 113-11 of the St. Mary's County Code. In consideration for the granting of this permit, I agree to:

1. Furnish any additional information requested by MetCom relating to the proposed work.
2. Obey all provisions of all ordinances, regulations, specifications or directions set forth by MetCom.
3. Pay in advance all the charges and fees due with the application, and pay any portion of deferred fees or charges in accordance with the terms of the current policy, as indicated below.
4. To discontinue use of the private well and/or private septic system upon connection to the public system(s).
5. To leave the building water and/or sewer service line(s) uncovered and to request an inspection by the County Plumbing Inspector 48-hours before they are ready for connection to the public system(s), and to maintain the building water and/or sewer service line(s) at no expense to MetCom.

Fees:	
Sewer Only Inspec for CO	120.00
Sketch Plan	70.00
Total	190.00
